**“BROOKS WINES - CONTRACTED VINEYARDS THROUGHOUT THE  
WILLAMETTE VALLEY ARE INTEGRAL PART OF DIVERSE BLENDING PROGRAM.”**

**AMITY, ORE** - “Our dedication and commitment to organic and biodynamic farming practices are strong and focused. Our philosophy about winemaking has always been simple: it starts with great respect and attention to detail, not only in the vineyard - but also with each vine! From pruning to harvest, we work closely with all of our growers to create a successful farming program each year, ensuring the best quality of fruit possible. We're confident these practices ultimately show in our wines. The following contracted vineyards throughout the Willamette Valley, continue to be an integral part of our diverse program,” said Janie Brooks Heuck General Manager of Brooks Wines.
