

# Dear Friends,

Holiday Greetings!

2021 has flown by. It is hard to believe that we are gearing up for the holidays already. This year, we have something for everyone on your list. The holidays are the best time to share your favorite wines with friends and family, and we so appreciate you sharing Brooks! Supporting Brooks allows us to give back in ways that align with our commitments:

**PEACE** Inclusivity, caring, and social responsibility are core principles of Brooks. As a Certified B Corp, our winery meets the highest standards of social and environmental performance, public transparency and legal accountability to balance profit and purpose.

**BREAD** The ingredients in the dishes we serve at Brooks are fresh and responsibly sourced from either our Estate Garden or from local, sustainable businesses.

**LAND** The land is truly what makes Brooks a special place. We practice biodynamics in our Biodynamically Certified Estate Vineyard, and we source grapes from sustainable and environmentally responsible farmers.

**WINE** Everything we do at Brooks allows us to consistently offer age-worthy, approachable and pure wines that represent the best of our vineyards, our people and our practices. That is why we were named one of the Top 100 Wineries by Wine & Spirits Magazine this year.

We also donate 1% of every dollar you spend to 1% For the Planet and their network of environmental nonprofits.

Happy, holidays. We truly appreciate your support!

Cheers!

*Janie Brooks Heuck*

## ABOUT US

Brooks Winery is located in Amity, Oregon in the heart of the Willamette Valley. Brooks is the living legacy of Jimi Brooks, a visionary Portland native who came to wine through his passion for history and philosophy. Jimi devoted his life to holistic farming and winemaking in the Willamette Valley.

Jimi passed away unexpectedly in 2004 at the age of 38. His son Pascal (8 years old at the time) became the Owner of Brooks and Brooks has continued with the dedication of Jimi's best friend, Chris Williams (Brooks' Winemaker) and his sister, Janie Heuck (Brooks' Managing Director).

Brooks produces 20,000 cases across 60 different labels with a focus on Pinot Noir, Riesling and other aromatic whites at affordable prices... wine for the people.

In 2019 and 2021, Brooks was designated as one of the Top 100 Wineries in the world by Wine & Spirits Magazine and has been named a 100 Best Fan-Favorite Destination in Oregon four years in a row. The winery has received praise from Wine Enthusiast, USA Today, Sunset Magazine, and The New York Times, among others.
