2025 Willamette Valley Pinot Noir

Flavor Impression

Tasting Impression

What are you looking for? A wine that delivers in fruit, body, structure? Complexity? Sustainability? We got you. Punchy black cherry, soft vanilla, bright red plum, wrapped in firm focused structure. A wine for all. Grapes coming from only dry-farmed vineyards. Historic as it is approachable. For when you need a friend – we were there.

Bottling Date	6/17/2026
BY THE NUMBERS	
pH	3.5
TA	5.63 g/L
RS	N/A
Alcohol	13.5%
Case Production	3500 cases

2025 Vintage Description

A warm dry spring kicked off the 2025 growing season early and swiftly, with minimal rain or cool-down periods to slow early growth. A short bloom period occurred in early June and was followed later in the Summer by successive heat spikes in July and again in August around veraison.

Sunny days and warm nights continued into early September, setting the stage for a rapid onset of harvest. At Brooks, picking began on September 7th for Rosé, followed by the first red wine grapes arriving on September 10th. The Riesling harvest began on September 26th and extended longer than usual, with the last grapes picked for noble select on October 8th.

This vintage will be remembered and celebrated for its excellent quality, with high color intensity and concentrated flavors, resulting from smaller berries and somewhat lighter yields.

Winery: 21101 SE Cherry Blossom Lane, Amity, OR 97101

About Brooks:

Our approach to winemaking is simple.

We seek natural balance in the vineyard and cellar to show the true expression of terroir in our wines.

We are passionate about organic and biodynamic farming;as we believe it not only creates better wines, but these important practices help keep our earth alive and ecosystem intact.
